

# BERTL'S BEST 2007

## 12th Annual Awards

*Best Centralized Low Volume  
Wide Format Solution*

.....  
Océ TDS450

- **Although designed as an entry-level device, it is as feature-rich as higher end models and is built to withstand years of operation**
- **User-friendly, oversized colour-enabled scanner operation panel with icon-based graphical user interface**
- **Integrated image enhancing image logic technology provides consistent scanned image quality ensuring quality scans every time in black and white and optional in color**
- **ViewStation software enables viewing and adjustments before sending documents to final destination**
- **Zero warm up time with radiant fusing technology and on-the-fly toner replacement increase productivity**
- **Scan Manager on the Océ Power Logic Controller is easy to navigate and allows operators to easily manage scan jobs**
- **Media and printer status is easily monitored through the Windows printer driver without opening up a separate Web interface or status monitoring software**
- **The optional mobile copy delivery tray holds up to 150 finished copies and prints and allows for longer runs without operator intervention**
- **Scalable design - from printer only up to full flow wide format MFP - provides flexibility**
- **Up to ten convenient preset scan destinations provide quick, one-touch operation**
